

The following is a list of all BLOCKED MCCs for the Department of Defense. It is recommended that you run a "Authorization/Decline Report" (for authorizations only) on a regular basis to determine the number of charges getting through on these blocked codes. Charges against these codes suggest further investigation is necessary to determine whether or not the charge was made for official travel purposes. For more information or questions, call 703-607-5030.
